2007 Regular Session

By Representatives Roach, Ericks, Hurst, Kirby, Strow, Newhouse, Simpson, Williams, Haler, O'Brien, Moeller, Pearson, VanDeWege, McCune, Kenney, Rolfes and Morrell

Read first time 01/16/2007. Referred to Committee on Insurance, Financial Service & Consumer Protection.

1 AN ACT Relating to financial fraud; and adding a new chapter to
2 Title 30 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature finds that financial fraud
5 and crimes against financial institutions and merchants are increasing
6 exponentially in Washington state. Until recently, these crimes cost
7 businesses and consumers thousands of dollars in losses. They now cost
8 millions of dollars. The legislature further finds that noncredit
9 losses to financial institutions, and credit card, debit card, and
10 check fraud against merchants impose danger to consumers and their
11 financial privacy, and burden law enforcement and public prosecutors
12 with crimes that are difficult to detect and prosecute. The growth in
13 financial fraud also provides opportunities for organized crime and
14 terrorist organizations, and undermines the stability and reliability
15 of financial and other businesses upon which commerce and the economy
16 rely.

17 The legislature intends to enable financial institutions and
18 merchants, to the extent permitted by federal law, to exchange

1 information to prevent, detect, deter, and assist in the prosecution of
2 financial fraud, bank robbery, money laundering, identity theft, and
3 other financial crimes.

4 NEW SECTION. **Sec. 2.** The definitions in this section apply

30 liability for financial institutions and merchants who participate in
31 a fraud alert network and who comply with the provisions of this
32 chapter and the standards of use set forth in this subsection as
33 follows:

34 (a) Access to the fraud alert network is private and limited to
35 financial institutions, merchants, and law enforcement agencies;

36 (b) The sole purpose of the fraud alert network is to share

1 information among financial institutions, merchants, and law

3 prosecution of financial crimes;

4 (c) Information furnished to the fraud alert network consists of:

5 (i) Descriptions of recent actual or suspected financial crimes
6 perpetrated against or coming to the attention of the participant
7 furnishing the information; (ii) descriptions, photographs, images,
8 reproductions, fingerprints, identifying features, traits, habits,

24 (d) Information furnished to the fraud alert network may not
25 consist of delinquent payment information, nor may it consist of other

28 information provided under (c) of this subsection and is reasonably
29 believed to be related to a financial crime;

30 (e) Information posted must be accessible only to designated
31 employees, and the distribution of information is limited to those
32 employees, attorneys, and agents of participants who have job-related
33 duties relevant to the use of such information in connection with

35 financial crimes;

3 evaluate and make decisions about applications for loans, lines of
4 credit, and credit cards;

5 (h) Information furnished pursuant to the fraud alert network is
6 limited to statements of fact that the person furnishing the
7 information reasonably believes to be true. However, in exigent
8 circumstances, information may be furnished without such reasonable
9 belief if the circumstances creating an emergency are described, and
10 cautionary advice is provided regarding the limited knowledge of the
11 person furnishing the information; and

12 (i) The fraud alert network has an operator that: (i) Employs
13 procedures to promptly correct and erase information that the operator
14 learns is erroneous or was submitted or posted to the fraud alert
15 network not in compliance with this section; (ii) takes reasonable
16 steps to limit access to the fraud alert network to financial
17 institutions, merchants, and law enforcement agencies; and (iii) denies
18 access to the fraud alert network to persons who are not financial
19 institutions, merchants, or law enforcement agencies or who do not
20 abide by the provisions of this chapter.

21 (2) Washington law governs the operation of a fraud alert network.
22 A participant or law enforcement agency that participates in a fraud
23 alert network in accordance with subsection (1) of this section,
24 whether through furnishing, posting, communicating, or using
25 information in connection thereto, has immunity from civil liability
26 under the laws of the state of Washington and its political
27 subdivisions and, to the extent the conflicts of law rules of any other
28 jurisdiction refer to the law of the state of Washington, under the
29 laws and rules of such other jurisdiction and its political
30 subdivisions. However, this immunity does not apply to statutory
31 violations.

32 (3) Any financial institution or merchant that makes a voluntary
33 disclosure of any possible violation of law or regulation to a federal,
34 state, or local government or agency in connection with information
35 obtained from a fraud alert network is immune from civil liability for
36 such disclosure or for any failure to provide notice of such disclosure
37 to the person who is the subject of or identified in the disclosure,
38 under the laws and rules of the state of Washington and its political

1 subdivisions and, to the extent the conflicts of law rules of any other
2 jurisdiction refer to the law of the state of Washington, under the
3 laws and rules of such other jurisdiction and its political
4 subdivisions, and under any contract or other legally enforceable
5 agreement.

6 NEW SECTION. **Sec. 4.** The immunity under section 3 of this act
7 does not apply to any participant that:

8 (1) Provides false information to the fraud alert network that the
9 participant does not reasonably believe to be true. However, in
10 exigent circumstances, information may be furnished without that
11 reasonable belief if the circumstances creating an emergency are
12 described, and cautionary advice is provided regarding the limited
13 knowledge of the person furnishing the information;

14 (2) Fails to maintain review procedures to remove or correct false,
15 outdated, incomplete, or erroneous information furnished by it to the
16 fraud alert network;

22 evaluate and make decisions about applications for loans, lines of
23 credit, and credit cards;

24 (5) Uses information for a purpose other than preventing,
25 detecting, deterring, and assisting in the prosecution of financial
26 crimes;

27 (6) Uses, reproduces, distributes, publishes, forwards, shares,
28 sells, or communicates any information obtained from the fraud alert
29 network for a commercial purpose, such as for advertising or marketing;
30 or

31 (7) Provides, sells, or resells access to the fraud alert network
32 to a person who is not a participant.

33 NEW SECTION. **Sec. 5.** (1) It is the intent of this chapter to
34 encourage the sharing of information consistent with federal law.

35 (2) A fraud alert network is intended to protect against or prevent

1 actual or potential fraud and unauthorized transactions, claims, or
2 other liability, and is intended to be exempt from the privacy
3 disclosure requirements of the Gramm-Leach-Bliley Act of 1999.

4 (3) It is intended that so long as the participants comply with
5 this chapter, the provisions of the Washington fair credit reporting
6 act, chapter 19.182 RCW, do not apply to the fraud alert network.
7 However, if it is determined that the federal fair credit reporting act
8 applies to a fraud alert network, the Washington fair credit reporting
9 act also applies.

10 NEW SECTION. **Sec. 6.** This chapter shall be construed to encourage
11 the sharing of information by financial institutions, merchants, and
12 law enforcement for the prevention and prosecution of financial fraud.

13 NEW SECTION. **Sec. 7.** This chapter may be known and cited as the
14 financial fraud alert act.

15 NEW SECTION. **Sec. 8.** If any part of this act is found to be in
16 conflict with federal requirements that are a prescribed condition to
17 the allocation of federal funds to the state, the conflicting part of
18 this act is inoperative solely to the extent of the conflict and with
19 respect to the agencies directly affected, and this finding does not
20 affect the operation of the remainder of this act in its application to
21 the agencies concerned.

22 NEW SECTION. **Sec. 9.** Sections 1 through 8 of this act constitute
23 a new chapter in Title 30 RCW.
